# DENSO Cross Reference Chart

## Cross Reference List

- DENSO is not responsible for the Xref (cross-references) information of other manufacturers and distributors.
- Application information is provided as a guide only. OE Xref information should be referred to for specific applications.
- CarMaker's can use multiple suppliers. Therefore, the replacement unit may look different than the original unit.

## Cross Reference List

- DENSO is not responsible for the Xref (cross-references) information of other manufacturers and distributors.
- Application information is provided as a guide only. OE Xref information should be referred to for specific applications.
- CarMaker's can use multiple suppliers. Therefore, the replacement unit may look different than the original unit.
